Founder: Pujya Gurudevshri Rakeshji

Pujya Gurudevshri Rakeshji is an enlightened master, a spiritual visionary, a modern-day mystic, and an ardent devotee of Shrimad Rajchandraji. Advancing the path of Lord Mahavir, He is the founder of Shrimad Rajchandra Mission Dharampur – a spiritual organisation with 204 centres across five continents.

Blending theory with experience and the head with the heart, Pujya Gurudevshri provides powerful and practical tools to joyfully tread the inward journey. He is empowering and transforming thousands across the globe today.

Born on 26 September, 1966 in Mumbai, India, Pujya Gurudevshri showed signs of divinity at a very young age. He would observe long periods of silence and remain immersed in deep meditation. At age eight, He came across a picture of Shrimad Rajchandraji and entered into a trance for three continuous days.

His extraordinary brilliance led Him to master profound scriptures, effortlessly. He was conferred the M.A. in Philosophy degree with a gold medal, followed by a Ph.D. for His extensive research treatise on Shrimadji's finest literary creation, Shri Atmasiddhi Shastra, in 1998.

In 2001, Pujya Gurudevshri's boundless compassion manifested in the form of the glorious Shrimad Rajchandra Ashram, Dharampur, a spiritual sanctuary in South Gujarat where seekers from across the world congregate to elevate themselves.

Fondly known as Bapa and Gurudev, His glance radiates love, His presence envelopes with purity, and His discourse is a call to realise one's true nature. Following the spiritual path according to the principles of Jainism, His insights are not limited to a tradition or set of beliefs. He propounds the spiritual universal.
